## REMEMBER ME?

I have no respect for justice. I break hearts and ruin lives. I am malicious and gather strength with age. The more I am quoted, the more I am believed. I flourish at every level of society.

My victims are helpless. They cannot protect themselves against me because I have no person. To track me down is impossible.

Once I tarnish a reputation, it is never quite the same. I am nobody's friend. I topple governments and wreck marriages. I ruin careers, cause sleepless nights, heartache and indigestion. I spawn suspicion and generate grief.

I make innocent people cry in their pillows. Even my name hisses. I am called Gossip. Office Gossip, shop gossip, church gossip; I make headlines and headaches.

Before you repeat a story, ask yourself: Is it true? Is it fair? Is it necessary? **If not, then keep quiet!**
