From The Youth Dept:

We would like to give you an update on our Promise Island VBS program this year. We had an average of 50 people every night with over 75 people attending the closing program on Saturday morning. Our VBS theme was "God's Promises," Our project was to collect food for our local food bank, Martha's Mission. The children & their parents were so very faithful & generous with their food donations; We had over 161 food items that were donated for Martha's Mission!. The kids nightly tithing raised over \$60.00 which is going to Ms. Molly Barker. We had an outstanding supportive crew that went well beyond what we asked of them; We thank you so very much for that...We want to thank the following people for their help & for allowing us to get to Promise Island this year...It was quite the vacation!
