**I want** you to face the mountain so that you can see, when the mountain is out of the way, all there is left is Me.

Only I can move the mountain, only I can push it away, only I can conquer the problems that you face today.

Your only job is to believe, to listen to My voice, and when you hear what I command, obedience in your choice.

But I will not make it too difficult for the victory is already Mine, and I will fill you with My spirit and through you My grace will shine.

Not when you are perfect, like you think you need to be, but when your heart is willing to become more and more like Me.

## A PRAYER FOR ALL AMERICANS

"O God, Whose name was on the lips of the men who founded this nation, and on the lips of men who died for it...be with us yet. Guide us through this period of crisis, confusion and insecurity. Keep us steadfast in remembering the truths our forefathers lived by. Restore our innocence, renew our vision, enter our hearts and keep us brave. Give us, as Americans, the strength to do Your work and to make this country worthy of Your blessing. Amen."
