EACH LIFE AFFECTS ANOTHER'S

We may not always realize that everything we do,
Affects not only our lives, but touches others, too;
For a little bit of thoughtfulness that shows someone you care,
Creates a ray of sunshine, for both of you to share...
Yes, every time you offer someone a helping hand.
Every time you show a friend you care and understand.
Every time you have a kind and gentle word to give;
You help someone find beauty, in this precious life we live.
For happiness brings happiness, and loving ways bring love;
And giving is the treasure, that contentment is made of.
