For those who don't know Tony, he has been a full contact professional fighter, a bodyguard for celebrities, a martial arts instructor, a police instructor, a military instructor, and a Karate Grandmaster! He has trained many law enforcement officers, police recruits, military operators and frequently teaches the local police and military personnel. A sign-up sheet is available on the table at the back of the church until February 1st. Then a date for the 4-session Class will be announced. Tony has indicated that in lieu of charging for the class, he would encourage donations made be made to the church marked as “Self-Defense.” **So, if interested, sign up today!!**
