## What Do You Owe God?

What do you owe God, you ask? Suppose He sent this bill:  
One hundred thousand dollars for the sun upon the hill;  
Two thousand for the little brook that runs along the way;  
Five hundred for the night-time, and a thousand for the day.  
Six hundred for the tiny flowers which tell us that it's Spring;  
These are the bills which everyone of us forget.  
If God should charge you what you owe, You'd always be in debt.
