WANTED: Used refrigerator for Youth Department. The fridge in the Cannon Building has "bit the dust." If anyone has, or knows of someone, who has one they would like to get rid of, please contact Reene Kratky.

A Note from Molly: This week I have been working in the Historical Room upstairs. In doing so, I have found extra copies of a number of documents from years past, directories, etc., which are now located on the front seat – piano side. Please take a look and see if there is anything you want to take and keep home. First come, first served. Any items not picked up by July 26th may be discarded.

HAVE YOU EVER STOOD at the grave of a friend, and wondered when your life would end? The one in that box hasn't really died, He has only passed to the other side. And the day will come when you too must go. And your destination, you should know. Though you treat folk good, and live life well, you could still end up in the fires of hell. Your salvation's not bought by the works you do, but by faith in God's Son who died for you. Christ died on the cross to pay sin's price, and by trusting Him, you'll not die twice. Now the day will come when friends stand at your grave, will they know you knew the Christ who could save? Will they know, from your life, you are heavenward bound, or will they just stand and look at the ground, and listen to the funeral knell, and picture your soul in a fiery hell?

Time is short and our days are so few, is eternity's question settled for you? Have you trusted Christ, who said "I am the way"? The choice is yours, friend why not make it today! —Harry C. Baxindine, III
